

Job Title: Senior Interior Designer, Dublin Studio

ABOUT US:

We are a boutique interior design studio founded by Hélène in 1999, based in Dublin & Kilkenny. We specialize in private residential and commercial interiors, with an extensive portfolio that has won wide recognition in Ireland and abroad. Our signature style is relaxed elegance, and we believe that "a room should evolve." As a team, we value beautiful rooms, client service, and attention to detail.

We are currently seeking a high-calibre Senior Interior Designer to join our expanding studio. The successful candidate should be enthusiastic, have excellent educational background with an undergraduate or postgraduate degree either in architecture or interior design, and at least six years' relevant and solid experience in this field.

RESPONSIBILITIES & JOB OVERVIEW:

As a Senior Interior Designer, you will be responsible for delivering multiple projects from conception stages through to completion. You will report to the Creative Director/Founder and mentor and guide more junior members of the team. You will work closely with and be responsible for maintaining relationships with site contractors and sub-contractors, attend site meetings, manage sites, and oversee design implementation. This role will provide you with an excellent opportunity to progress and develop in your career, adding award-winning projects to your portfolio.

Detailed responsibilities include:

- Producing full tender and construction drawing packages for high-end residential and commercial projects
- FF&E selection and specification
- Supervising junior and intermediate interior designers
- Coordinating with external consultants such as architects, quantity surveyors, structural engineers, building services engineers, and builders
- Creatively developing initial ideas, concepts, and mood boards independently and as part of a team
- Ensuring all proposals comply with the relevant building regulations
- Project management where required including construction supervision
- Designing bespoke products (including lighting and furniture) for various clients
- Producing 3D visuals when required
- Producing and giving presentations
- Sourcing and ordering
- Responsibility for innovative social media & blog posts along with the rest of the team
- Bringing in projects after your first 6-9 months as well as converting leads from other sources
- An entrepreneurial, commercial, and financial mindset/capability is a plus

REQUIREMENTS:

- Highly proficient in AutoCAD
- Degree in interior architecture, architecture or interior design
- Minimum of six years of professional work experience
- Exceptional attention to detail
- Budget awareness
- Strong interior architecture knowledge and appreciation for the internal structure of the building
- Ability to work on their own initiative, bringing ideas & solutions to the team and work as part of a team
- Fluency in spoken and written English with additional languages a plus
- Strong client-facing and presentation skills, as well as efficiently liaising with suppliers/ vendors & onsite trades keeping good working relationships
- Ability to be a project lead and manage own deliverables and deadlines
- Proven ability to both lead design when required and take creative direction
- Able to contribute strong ideas and unique concepts
- Excellent knowledge of furniture design and FF&E specification
- Knowledge of 3D modelling programs would be a plus
- Logistically minded, able to multitask
- Full drivers licence
- Willingness to travel

If you are passionate about designing interiors, have a solid experience in this field, and aspire to grow in our expanding design studio, we invite you to apply for this position. Please email studio@helenebroderickinteriors.com.
